As a small or mid-size business, you need affordable and professional IT tools. Microsoft Office 365 gives you and your employees access to popular productivity applications, including Microsoft Word, Excel, and PowerPoint anytime, from virtually anywhere.

## UNLIKE TRADITIONAL MICROSOFT OFFICE, OFFICE 365 ALLOWS YOU TO...

- Access Microsoft apps across multiple devices** including PC, Mac, smartphones and tablets.
- Collaborate with coworkers and clients any time, anywhere** with Office Online you have access to online versions of Word, Excel, PowerPoint and OneNote.
- Save money and valuable time:** Office 365 provides an affordable price point for core IT tools so you don't have to invest in additional servers, storage, software or IT staff.
- 24/7 Around-the-clock support** from our in-house support team for business critical issues to make sure you get the help that you need.
- Get all the necessary space for your business documents** with 1TB of file storage and sharing on OneDrive storage.
- Increase employee productivity** with 300 seat caps per plan (maximum of 300 users) OR FastTrack deployment support and add 50+ seats at no extra cost!
